Sports Equality Monitoring

Whilst it is not compulsory that this section is completed the following paragraph explains why it is important. Sport can and does play a major role in promoting the inclusion of all groups in society; however, inequalities have historically existed within sport, particularly in relation to Gender, race and disability. British Cycling is committed to promoting and developing sports equality which is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. By monitoring the profile of young people in our clubs we can develop strategies to ensure that all young people have the best opportunity to develop and progress in cycling. To help us monitor our membership can you please tick one of the following boxes to identify your ethnic group?

The Small Print: It is part of the British Cycling code of conduct to ensure that reasonable steps are taken to establish a safe environment where young people can enjoy and develop their cycling skills. Parents and carers are welcome to stay and watch the sessions, but this is not compulsory. Young people are expected to remain at the session from signing in to the end of the session unless they have to leave early. If a young person has to leave early or is being collected by someone other than the parent/carer the parent/carer must advise the coach of the arrangement, including who will be collecting the rider. It is the young person's responsibility to participate in cycling activities in a sporting manner. Any young rider who persistently misbehaves or puts others in danger will be asked to leave the session. It is the parent/carer's responsibility to ensure that their child's bike is in a safe condition to ride. A correctly fitting cycling helmet must be worn **at all times** during the session. Welland Valley CC may take photographs/video footage during the event. These could be placed on the club website, or for general cycling club publicity purposes. If you do not wish for photographs/video footage of your child to be used please advise us. For children under 12 years of age coaching sessions will take place on a traffic free facility. Over 12's may be involved in coaching sessions that take place on the highway. Young riders are only invited to take part when the coaches are confident that they are sufficiently responsible for their own actions and have developed the necessary handling skills and fitness levels to cope with riding on the Public Highway. **FOR RIDERS AGED 12+ Only. Please tick here if you DO NOT WANT YOUR CHILD being involved in activities on the public Highway**

Parental Consent: I, being the Parent/carer of the rider(s) named above have read the information contained on this form and hereby consent to him/her taking part in cycling activity sessions and understand and agree that he/she participates in cycling activity sessions under the instruction of British Cycling qualified coaches entirely at his/her own risk. I have considered the nature of such sessions and have discussed them with him/her. I am satisfied that he/she is sufficiently responsible and competent to assume full and entire responsibility for his/her safety under the supervision of a British Cycling qualified coach. I confirm that he/she does not have any medical condition or disability not detailed overleaf that could affect her ability to participate safely in cycling activity sessions.

- By returning this form I agree to the child named above taking part in the activities of the club
- I Understand that I will be kept informed of these activities
- I understand that in the event of injury or illness all reasonable steps will be taken to contact me and to deal with the illness or injury appropriately.
- I have read the Parents Code of Conduct document outlining my responsibilities.
