

The Mark Bell Memorial TT

(The Mark Bell Hilly)

Kettering CC, on behalf of Cycling Time Trials under its rules and regulations.

Sunday 3rd March 2019 10:00am.

Course: NC1A

But

Kettering Cycling Club is proud to present this 20 mile Time Trial in memory of Mark Bell. Unfortunately we had to cancel last year's running of the event due to the heavy snow that blighted the country.

The course returns to the NC1A which is a single 20 mile loop, starting at the Lowick/Islip bypass, then onto Stanion/Geddington/Warkton/Slipton/Thrapston and back to Lowick.

It would be great to resume this event with a decent field and hopefully acceptable weather, so brush off your bikes, put on a base layer and gloves and join us in this early season opener for KCC.

Mark Bell was a member of the Kettering Amateur C.C. and an up and coming racing man. He died tragically whilst competing in a time-trial in 1994.

The impressive Mark Bell Memorial Trophy was presented by his family. The Mark Bell Memorial Trophy goes to :- “The fastest rider living in Northamptonshire” and receives the trophy and a complimentary ticket to the Club Dinner to collect the award
The Brian Charouneau Trophy goes to :- “The fastest rider from a Northamptonshire Club”, and receives the trophy and a complimentary ticket to the Club Dinner to collect the award.
