

Members' Commitment (all members aged 18 and over)

Welland Valley Cycling club is entirely volunteer run and without the help of our members could not function. The club has a large membership base and promotes a wide range of activities, each of which requires volunteer help if the event is to take place.

In order to spread the workload across the whole club, every member is required to offer their time on one or more occasions during the year. All members may be required to marshal at least one club event.

Please tick the appropriate box below indicating your marshalling experience

Experienced Inexperienced

In addition to volunteering as a marshal, there may be other areas in which you would like to help. Please indicate at least 3 other areas where the club could use your talents.
