7 January 2020

Dear Member

I am pleased to present you with your 2020 club calendar; and invite you to renew your membership as soon as possible to take advantage of a **special discount for early payment**. Also enclosed is a flyer detailing our easy-to-use online booking system for the club marshalling rota, which allows you to volunteer for an event and a date of your choosing.

Membership renewal and subscriptions

If there are no changes to your personal information, membership category or commitments, then there is no need to return the enclosed 2020 membership form. However, if there are any changes, please inform me of the change(s) by email or complete the form and post it to me.

Details of the membership fees, early bird discount and payment options can be found overleaf. If you choose to pay by bank transfer please email me (john@gaulbyps.co.uk) stating the membership fee you have paid and any additional voluntary contribution to our youth development fund (see below). Please note that the club has decided to stop issuing membership cards. You will receive an email (or letter) confirming receipt of your subscription as evidence of your continuing membership.

Early renewal discount

Early renewal helps the club plan marshalling rotas and determine eligibility for club and external events. There's a **33% discount on fees** if you renew by 28 February 2020. See overleaf for details.

Your commitment as a club member

Volunteering is crucial for the operation and development of the club. All members are required to offer their services according to their skill and experience. This will include at least one marshalling duty each year, which you can now book online. Members who race or regularly participate in organised events are expected to provide 2 duties per annum. Please register as early as possible – see separate note.

Youth development

As a cycling club, we are proud of our work in developing child and youth cycling and of the successes our young riders achieve. In order to help us continue this support, members may wish to make a voluntary financial contribution to youth development at the same time as subscriptions are renewed.

Best Wishes

John Welsford
Treasurer and membership secretary
