## Training & Club Runs

Sunday club runs are organised on a weekly basis throughout the year. These are at a variety of paces and typically include a faster run of around 50 miles and a steadier one of around 30 miles. The rides start at the Square, Market Harborough at 9:15am.

Other planned training rides, such as chain gangs, are held throughout the year. It is also planned that a number of British Cycling Breeze rides will take place.

Other rides are also arranged from time to time – see the club website or Facebook page for details.

## Off-road/Cyclo-cross

Off-road cyclocross/MTB rides are also arranged – see club website and/or Facebook page for details.

## Training/skills sessions

Keep an eye on the Club website and Facebook page for information about training/skills events. The Club's accredited coaches can be contacted directly for specific advice and training (see back page).

We offer a Development Programme for talented and committed Juvenile and Junior riders. If you are interested contact the Club Secretary in the first instance.

## Go Ride - Welland Valley Whizz Kids

The Club is the accredited local promoter of the 'Go-Ride' programme which is organised nationally by British Cycling. 'Go Ride' is designed to encourage young riders to gain their key cycling skills in a safe and enjoyable environment and to introduce them to competitive cycling. The Whizz Kids meet twice monthly in Market Harborough or the surrounding area.

For up to date details of their activities look for the Whizz Kids pages on the club website or contact Kevin Nicholls on [whizzkids@wellandvalleycc.co.uk](mailto:whizzkids@wellandvalleycc.co.uk)

## Club Championship

The Club Championship is open to all categories and is contested over eleven events with the best eleven results to count. At least two qualifying events must be not 10-mile time trials (see page 2 for more details). In each category the fastest rider scores 60, 2nd scores 55, 3rd 51, and then 48, 46, 44, 42, 40, 39, 38, etc. In addition to the Overall Championship there are medals in the various categories for Ladies, Juveniles, Juniors and Veterans. The Veteran section is calculated using the 'standard' handicap system. **Veteran competitions will be open to those aged 50 or over.** There is also a Men's and Women's Club Championship for road bikes, based on results ridden on road bikes in Club Championship events.

## Cox Automotive League

Based on the Club Championship, this league offers a chance for riders to compete with others of similar ability. All members are allocated a division according to their performance in the first four Club time trials of the year. Riders in each of the five divisions score points as above: 1st 60, 2nd 55 etc, with the best eleven rounds to count, including two rounds that are not 10 mile TTs (see Page 2 for details).

## Club Race Series

We plan to run the four rounds of Club-only road races at Bruntingthorpe in 2022. These will be formatted to allow similarly able riders to compete against each other in teams

## Note re Club Championship Round 19

Round 19 of the Club Championship will be run as part of the Northants & District Cycle Association Open 10-mile time trial that the Club is organising for Saturday 23 April. This enables more Club members to experience an Open event of this sort and makes efficient use of the volunteers and other resources needed for the day. The Club will subsidise the increased cost of entry for any Club member who has not previously ridden a N&DCA Open event by giving them free entry to their next Club time trial. More details will be available nearer the date.

## Club Championship

The Club Championship is open to all categories and is contested over twenty-one events with the best eleven results to count. At least two qualifying events must not be 10-mile time trials (see page 2 for more details). In each category the fastest rider scores 60, 2nd scores 55, 3rd 51, and then 48, 46, 44, 42, 40, 39, 38, etc. In addition to the Overall Championship there are medals in the various categories for Ladies, Juveniles, Juniors and Veterans. The Veteran section is calculated using the 'standard' handicap system. ***Veteran competitions will be open to those aged 50 or over.*** There is also a Men's and Women's Club Championship for road bikes, based on results ridden on road bikes in Club Championship events.

## Cox Automotive League

Based on the Club Championship, the riders in each of the five divisions score points as above, 1st 60, 2nd 55 etc. with the best eleven rounds, including two rounds that are not 10 mile TTs, to count.

## Club event fees

	All club time trials	Circuit races
Juniors/Seniors	£5.00	t.b.c.
Juvenile (12-16)	free	free
Guests	£6.00	n.a.

## Club membership fees (\*)

Senior:	£15.00	Over 65:	£ 5.00
Junior (17-18)/full time students:	£ 5.00	Juvenile (12-16):	£ 0.00
Go Ride (under 12):	£ 0.00	Family membership:	£22.50
Second-claim members:	£ 7.50		

(\* discounts are available for existing club members who renew quickly – see membership renewal letters for details)

## Special rules for Club Time Trials

In the interests of both safety and the smooth running of events, the following specific rules will be rigidly enforced:

- All riders must wear an approved hard shell helmet.
- All bikes must be fitted with a working rear light.
- All bikes must be fitted with a working front light.

Additionally, under penalty of exclusion, no rider shall:

- When warming up, pass by the start line once the event is under way.
- Perform a U-turn in sight of start or finish.
- Return to the timekeeper to enquire of his/her time whilst the event is in progress.

## Compulsory use of helmets, rear and front lights for time trials

*Cycling Time Trials (CTT) has made the use of a bright front light compulsory for all time trials run under their jurisdiction. This is in addition to the previous CTT requirement for the use of a bright red rear light. CTT have also mandated the wearing of helmets. All of these will be enforced for all WVCC time trials.*

Riders under 16 years of age may be accompanied by an adult, subject to conditions which will be clearly displayed at each race headquarters and on the club website.

## Age Categories for Club Events

**Veteran** - A rider becomes a veteran on January 1st of the year of her/his 50th birthday. In subsequent years the rider's standard times will be the same throughout the season and will accord with the age attained that year.

**Junior** - A junior rider is a junior from January 1<sup>st</sup> of the year of her/his 17<sup>th</sup> birthday until December 31<sup>st</sup> of the year of his/her 18<sup>th</sup> birthday

**Juvenile** - A juvenile rider is a juvenile from his/her 12<sup>th</sup> birthday until December 31 of the year of her/his 16<sup>th</sup> birthday.

## Members' Commitment (all members aged 18 and over)

**Every senior member should expect to marshal at least one club event.** Members who regularly participate in competitive events are also expected to marshal a second event. The marshalling rota is managed through the Club's SignUpGenius system. Members are also asked to be available for other roles required for the various events the club organises throughout the year.

## Club kit

Club kit is ordered directly from the provider, Vanelli Cycling, which is run by Club member Hans van Nierop. Kit is available on a number of occasions each year. Details of how to obtain kit can be obtained from Hans on [kit@wellandvalley.co.uk](mailto:kit@wellandvalley.co.uk)
