

# Risk Assessment

Course/Road(s) Assessed: Lubenham

Course: NX14/10

Date of Assessment/Review: 27/01/2026

Name of Assessor: Roger Kockelbergh

**Course Description:** Start in Husbands Bosworth at bus stop layby immediately to the west of Honeypot Lane. Follow A4304 through Lubenham to the roundabout to the west of Market Harborough. Return to Husbands Bosworth, finishing at the first farm gate on the left at grid reference SP 65238 84740

**Traffic Flows:**

Heavy traffic at peak times

Traffic well within limits for a Sunday morning or a 7pm weekday start.

**Course/Event History:**

Seventy percent of the course has been used as a time trial course (NX4/25) for many years.

## Key Identified Risks

| Distance                     | Location                                              | Identified Significant Risk/Hazards                           | Level of Risk Low/Med/High | Measures to reduce Risk (if applicable)                                                                                        |
|------------------------------|-------------------------------------------------------|---------------------------------------------------------------|----------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Approaching the start<br>LOW | Competitors riding from HQ.<br>Competitors warming up | Passing traffic                                               | LOW                        | No warming up on course when event has started.<br>Riders to wear fluorescent numbers on their back and front and rear lights. |
| 0 miles                      | <b>START:</b> Start at Husbands Bosworth bus Lay-by   | Buses at bus stop                                             | LOW                        | No buses on Sundays, last bus at 15.44 on weekdays                                                                             |
| 1.6 miles                    | Treddingworth village                                 | Poorly sighted exit for cars turning right from Hothorpe Road | Low                        | Warning sign                                                                                                                   |

|                   |                                                                                             |                                                   |     |                                                                                        |
|-------------------|---------------------------------------------------------------------------------------------|---------------------------------------------------|-----|----------------------------------------------------------------------------------------|
| 4.2 and 7.4 miles | Lubenham                                                                                    | Village traffic                                   | LOW | Warning signs at entrances to village and on Foxton Road                               |
| 5.2 miles         | Lubenham hill roundabout                                                                    | Joining traffic                                   | LOW | Warning signs Marshal                                                                  |
| 10 miles          | <b>FINISH:</b><br>Husbands Bosworth, farm gate on the left at grid reference SP 65238 84740 | Traffic passing riders who have stopped at finish | LOW | All riders to continue past finish without stopping. No riders to congregate at finish |
|                   |                                                                                             |                                                   |     |                                                                                        |

The small junctions or entrances to farms/ facilities that are not identified in this risk assessment have been considered, however are not considered significant to pose a risk and therefore have not been noted.
